What things make you feel safe at school?

Friends, my teachers, helping other children to be nice, I love my teachers, coming outside, playing with my friends, Someone helps when I fall over, grown ups in school, our Headteacher, the fire exits, people listening to you, listening to your teacher, staying inside, walking to places, our classroom, Mr James, the chairs, the locks on the doors

The two things I like best about my school are:

Friends, teachers, playtimes, English, RE, Toys, Lunch, more public speaking, Plays, Art, the gardens, the new shed, Writing, chatting with friends, guided reading, PE, Phonics, Maths, DT mornings, Learn Pads, golden time, when we have fun, dressing up days, teachers who are nice, school dinners, PE, Reading, building and making, thinking about Jesus, role play areas, we can work with anything some days, singing songs, speaking and listening, learn pads, playing fun games in lessons

The one thing I would most like to change at my school is:

Lunch so everyone is at the same time, bigger windows, the class names, the order of the day, helping yourself to library books, a grassy field, the size of the playground, playing with boats in the water tank every day, have a balloon party, nothing, more colourful carpets, shorter day, keeping reading books for longer, longer playtimes, a big playhouse in the middle of the playground, changing some of the rules, a

new building, I like everything, water bottles always there, a football pitch, a swing and a slide, the tyres brought back, visiting a fun fair, joining up with Roseacre more often, a longer playground, street dance lessons
