Charging & Remissions Policy

Member of Staff Responsible	Mr C K James
Position	Headteacher
Dated	October 2016
Date of next review	October 2018

THURNHAM C E INFANT SCHOOL

Charging and Remissions Policy

Status Statutory

Purpose

The purpose of the policy is to ensure that, during the school day, all children have full and free access to a broad and balanced curriculum.

The school day is defined as: **8:55am until 11:55am and 1:10pm until 3:05pm.**

What was consulted?

The policy has been informed by sections 449-462 of The Education Act 1996 which sets out the law on charging for school activities in schools maintained by the LA and the guidance document regarding music tuition charges. (The Charges for Music Tuition (England) Regulations 2007), which compliments the information given in chapter 23 of 'A Guide to the Law for School Governors'.

Relationship to other school policies

The policy complements the school's equal opportunities policy, curriculum policy, educational visits policy and the teaching and learning policy.

Roles and responsibilities of headteacher, other staff, governors

The **headteacher** will ensure that the following applies:

During the school day

All activities that are a necessary part of the National Curriculum plus religious education will be provided free of charge. This includes any materials, equipment and transport to take pupils between the school and the activity.

Education partly during the school day

If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day.

Conversely, if the bigger proportion of time spent falls outside of the normal school day, charges will be made where the activity is not part of the national curriculum. When such activities are arranged parents will be told how the charges were calculated.

Music Tuition

Charges will be made for teaching an individual or group to play a musical instrument or to sing where the activity is not an essential part of the national curriculum or public examination syllabus.

Optional activities outside of the school day

We will charge for optional, extra activities provided outside of the school day. Such activities are not part of the National Curriculum or religious education, nor are they part of an examination syllabus.

Participation in any optional extra activity will be on the basis of parental choice and a parental agreement will be a pre-requisite for the provision of any optional extra activity.

Pupil Premium

The Government have introduced the Pupil Premium which is an amount of money delegated to the school for each child in receipt of free school meals or having previously been in receipt within the last six years. Whilst the vast majority of these funds are directed towards supporting learning, a proportion of between 10 and 20% of the funds can be used to fund activities such as paid for after school clubs and any other vital learning related resources for a particular individual.

Calculating charges

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't. Support for cases of hardship will come through voluntary contributions and fundraising.

Parents who would qualify for support are those who are in receipt of Income Support, Income-based Jobseeker's Allowance, support under part VI of the Immigration and Asylum Act 1999, Child Tax Credit, provided the parent is not entitled to Working Tax Credit, the guaranteed element of State Pension Credit and an income related employment and support allowance that was introduced on 27 October 2008.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents.

Voluntary Contributions

The staff and governors recognise the importance of activities, that while may not be an essential part of the curriculum, add value and enjoyment to the experiences of the children. However it may be necessary for Voluntary contributions to be sought for such activities during the school day which entail additional costs.

In these circumstances no pupil will be prevented from participating because his/her parents cannot or will not make a contribution. Children of parents who do not make a contribution will not be treated any differently. If a particular activity cannot take place without some help from parents, this will be explained at the planning stage. An activity may be cancelled if not enough voluntary contributions are collected.

Arrangements for monitoring and evaluation

The Resources Committee can monitor the impact of this policy by requesting a financial report on those activities that resulted in charges being levied, the subsidies awarded (without giving names) and the source of those subsidies.
